Show Your Support for CAREGIVERS at the 25th Annual SAILATHON Sunday, October 18, 2026

On this 25-year anniversary, we celebrate one of Ventura County's
Signature Fundraising events for homebound seniors.

**First-time Sponsors will receive 50% off any sponsorship!
Renewing Sponsors also receive 50% off increased sponsorships!**

No other organization in the County provides continuous, one-on-one support to seniors year-after-year the way CAREGIVERS does. Event proceeds have a direct impact! Volunteers are the heart of our program, offering helping hands for more than 500 seniors. Shop & Drop services support frail elderly who are isolated and need safe delivery of groceries and pharmaceuticals to sustain their livelihood. Rides to the doctor; Changing a light bulb; Washing a load of laundry. These are just a few examples of how volunteers help our frail seniors continue to live independently in their own homes. Volunteer caregiving is an effective model of human services. Sponsorships like yours have helped sustain this organization since 1984.

This year's event is in memory of Captain Jane Thomas – a fervent advocate for our volunteer mission.

Reserve your sponsorship by August 25 to maximize publicity!

If your company can't join us as a sponsor, please consider becoming a Sailathon participant or providing a raffle prize. The race is open to all mariners interested in supporting our mission. All types of watercraft are welcome – even Human-Powered & Powerboats!

If you have any questions, please do not hesitate to contact us at (805) 658-8530 or visit our website for further event information.

On behalf of our volunteer committee, thanks so much for your consideration.

Sincerely,

Tammy I. Glenn
Executive Director

Maximize Business Exposure • Network with Like-minded Professionals • Connect to more than 1,000 Active Volunteers, Event Participants & Older Adults

Thanks to the generosity of Ventura County's business community and event registrants, close to 20 percent of CAREGIVERS' annual operating budget comes from event sponsorships. While each event has its own sponsorship package, your business can now option an **Annual Sponsorship** with representation at each event! Our Board of Directors and event committees are delighted to confirm that 80 percent of funds raised is used for the direct benefit of delivering volunteer caregiving services to support aging in place throughout Ventura County.
